Leaf Removal Reminders

MORGANTOWN – The City of Morgantown would like to remind its residents of the regulations in place for leaf removal during fall months.

Any leaves that are raked from a property cannot be swept into the street. Build up of leaves can cause storm water drainage issues and situations that may damage vehicles, like covering protruding road hazards.

However, those who would like to dispose of their leaves through their regular trash pickup service may do so by bagging them and placing them out with the rest of the trash on the regular pickup day.
